

THE RESTORED LEADER CEO DAY MENU

These some not all business topics for leaders to design during a full day or multiple day retreat. What might be missing?

Personal Foundations

- Your Core Values
- Your Leadership Development Plan for 2023 (Focus Areas and Goals from your Client Success Journal)
- What changes do you want to experience today?*

Your Leadership

- Establishing rhythm for CEO Time
- Redeeming Company Core Values
- Designing your Rhythms of Rest and Work- Daily, Weekly, Monthly, Retreat, Sabbatical
- Ambition- DreamShot Vision 30-15-7 years
- Humility- What you need to learn and the best method to learn
- Trust- What's your trust currency as a result of your core values?
- Refreshed Leadership Message (Narrative Frame)*

Operations

- Business Model- Goals, Keeping Score
- Your Team Health as it relates to embodying Core Values
- Designing the Culture you want
- Developing Competencies and Skills for each Role
- Master Meetings- Purposed based meetings that evoke Situational Leadership (Teach, Coach, Support, Delegating)
- Building a bench: Recruiting Talent never stops
- Partnerships- External help that make your operations even better!
- Your Operations Message (The simple statement that summarizes how you'll describe your operations focus)*

Strategy

- Product and Service Development
- Brand Script- Importance of your brand's message
- Beta Testing- Trying, Failing and Adjusting
- Your Strategy Message (The simple statement that summarizes how you'll describe your systems focus)

Recommitment

- Leader Core Values
- Company Core Values
- Your Leadership Development Plan for 2023
- Refreshed Leadership Message (Narrative Frame)*
